"If you really want the answer to 'Does this make me look fat?' this is where you'll get it?whether you're an ultra-size diva on a mini-size starlet. Here, clothes that add heft are taken to task and those that diminish it are cheered. In these pages you will find out exactly what you need to know to make you look slimmer, taller, and better-proportioned in your clothes."

Feldon both enlightens and delights as she takes on old clichés, details common mistakes, and shares the fine points of "Camouflage Chic." "It's about artfully disguising figure challenges while highlighting your assets and adding a dash of real style." Packed with practical, easy-to-implement tips, celebrity quotes, and illustrations, **Does This Make Me Look Fat?** gives you all the information you need to pull together a totally slimming wardrobe?and help your favorite man do it, too.

Feldon has been at the forefront of the fashion industry for more than twenty years, as a stylist, designer, image consultant, journalist, author, and television commentator and host. She has dressed models, celebrities, and "real people" alike, and in the course of her career has learned that any figure can be improved with the right clothes.
