Description:

From the Author So often animal behavior parallels our own. Take our two Jack Russell Terrier sisters for example. Sugar and Ginger (the "spice girls") compete for belly rubs, squabble over who gets the last crumbs, and display strong aversion to the vacuum cleaner. But they are inseparable. They close ranks at the first sign of a threat, be it a male, a bug or even the garbage truck. Watching them gave me so much inspiration for Just Sisters.

About the Author Bonnie Kuchler is a contributor for Willow Creek Press titles including *Just Girlfriends* and *Sisters*.
