Description:

Read, write, and speak medical terms in no time with Leonard's **Quick & Easy Medical Terminology, 8th Edition**. Ideal for one-semester courses and self-study, this clear, concise text covers disorders, diagnosis, and treatment with a strong focus on anatomy for an integrated discussion of each body system. Small bits of information are presented then immediately tested for comprehension using a combination of programmed and traditional review questions. With new case studies, terms, and photos, plus help from the companion Evolve site, *Quick & Easy Medical Terminology* provides you with simple tools for good communication in the health care environment.

- Brief explanations and a focus on basic word-building skills make this text perfect for shorter, one- or two-credit medical terminology courses or self-study.
 - **Moderate anatomy and physiology coverage** offers just the right amount of anatomical information to support the terminology presented.
 - **Programmed learning** improves your comprehension by offering immediate feedback.
 - **Review exercises integrated throughout lesson material** enable you to test your knowledge and retention of material more frequently for quick reinforcement.
 - **Medical reports with review exercises** allow you to study terminology in documents similar to those seen in the clinical setting — and practice using terms in real-life situations.
 - **Quick Tips located throughout the text provide fun facts and memory aids.**
 - **Student Evolve resources** include games; activities; flash cards; animations, pharmacology, CAM, and genetics appendices; audio terms, and mobile quizzes and flash cards that offer additional opportunities to quickly gauge strong and weak areas in a fun, interactive environment.
 - NEW! 14 additional case studies with exercises let you practice medical terminology in context.
 - **NEW! Elsevier's Adaptive Learning (EAL) updated to accompany the text** and provide an engaging, interactive learning experience that transforms textbook information into lasting knowledge.
 - **NEW and UPDATED! Terms, definitions, and procedures** keep you up-to-date with healthcare advances.
 - **NEW! Photos and drawings** illustrate difficult terms and procedures more clearly and consistently throughout the text.
