### Description:

Discworld is an extragavanza--among much else, it has billions of gods. "They swarm as thick as herring roe," writes Terry Pratchett in *Small Gods*, the 13th book in the series. Where there are gods galore, there are priests, high and low, and... there are novices. Brutha is a novice with little chance to become a priest--thinking does not come easily to him, although believing does. But it is to Brutha that the great god Om manifests, in the lowly form of a tortoise. --*Blaise Selby* --This text refers to the edition.

**Review** "Surely the best novel Terry Pratchett has ever written, and the best comedy"  
-John Clute, *Interzone*
