Description:

Is it possible...

That there exists an ancient mystery that holds the secret of America's future?

That this mystery lies behind everything from 9/11 to the collapse of the global economy?

That ancient harbingers of judgment are now manifesting in America?

That God is sending America a prophetic message of what is yet to come?

Before its end as a nation, there appeared in ancient Israel nine specific warnings and omens of national destruction □ These same nine Harbingers are now manifesting in America with profound ramifications for America's future and end-time prophecy.

Hidden in an ancient biblical prophecy from Isaiah, the mysteries revealed in *The Harbinger* are so precise that they foretell recent American events down to the exact days□ the 3,000-year-old mystery that revealed the exact date of the stock market collapse of 2008□ the ancient prophecy that was proclaimed from the floor of the US Senate and then came true□and more. The revelations are so specific that even the most hardened skeptic will find it hard to put down. Though it sounds like the plot of a Hollywood thriller □ IT'S REAL.

The prophetic mysteries are factual but revealed through a riveting narrative the reader will find hard to put down. *The Harbinger* opens with the appearance of a man burdened with a message he has received from a mysterious figure called The Prophet. The Prophet has given him nine seals, each containing a message about America's future. As he tells of his encounters with the Prophet, from a skyscraper in New York City, to a rural mountaintop, to Capitol Hill, to Ground Zero, the mystery behind each seal is revealed. As the story unfolds, each revelation becomes another piece in a larger and larger puzzle, the ramifications of which are, even now, altering the course of America and the world.
