#### **Description:**

**NOTE: This ASIN is text alone which automatically includes access to a different digital product; EESEE.**

This remarkably engaging textbook gives biology students an introduction to statistical practice all

their own. It covers essential statistical topics with examples and exercises drawn from across the life sciences, including the fields of nursing, public health, and allied health. Based on David Moore's *The Basic Practice of Statistics*, *PSLS* mirrors that #1 bestseller's signature emphasis on statistical thinking, real data, and what statisticians actually do. The new edition includes new and updated exercises, examples, and samples of real data, as well as an expanded range of media tools for students and instructors. What's in the LaunchPad
