Description:

Review

Praise for the House of Night:

"Twilight meets Harry Potter... Zoey Redbird [is] basically the most relatable vampire — sorry, fledgling vampyre — I've ever read about." -MTV.com on The House of Night series

"*Untamed* is a fast moving and adventure filled read, with engaging characters and just a touch of romantic chemistry to keep fans guessing." - *Darque Reviews*

"The remarkable Cast duo continues to build a world that you won't soon forget!" -*RT Book Reviews* (4.5 stars) on *Chosen*

"This highly addicting series offers a unique twist on the standard vampyre story and is sure to please a wide variety of readers. Although she is a vampyre, Zoey Redbird's journey is one for every teen... These books will have the reader laughing hysterically and sobbing unreservedly—sometimes all at once."-*VOYA* (on both *Marked* and *Betrayed*)

"Some would find it hard to write the sequel to a great book like *Marked*, but the Cast women obviously didn't have that problem. I laughed, sighed, and definitely cried. I thought that I knew where this series was headed but the authors took me completely by surprise...Bring on *Chosen!*"—*Night Owl Reviews*

"Cast reeled me in from paragraph one. I snorted and giggled through the whole thing, and devoured it in one sitting." -MaryJanice Davidson, *New York Times* best-selling author of the *Undead* series, on *Marked*

From the Inside Flap

Life sucks when your friends are pissed at you.

Just ask Zoey Redbird □ she's become an undisputed expert on suckiness. In one week she has gone from having three boyfriends to having none, and from having a tight-knit group of friends who trusted and supported her, to being an outcast. And the worst part is, she knows it's her own fault.

Speaking of friends, the only two Zoey has left are undead, unMarked, and unable to stop bickering with each other. So who can blame her for befriending the House of Night's newest transfer student, the majorly hot Olympic archer, James Stark?

Meanwhile, Neferet has declared a war on humans after it appears that the People of the Faith have murdered two vampyres. But Aphrodite's latest visions show a world completely different from the High Priestess's promises, a world full of violence, hatred, and darkness, all because of Zoey's death□and the only way it seems she can prevent it from happening is to make things right with her friends. Zoey knows in her heart that fighting with humans is wrong. But will anyone listen to her? Zoey's adventures at vampyre finishing school take a wild and dangerous turn as loyalties are tested, shocking true intentions come to light, and an ancient evil is awakened in PC and Kristin Cast's spellbinding fourth House of Night novel.
